Pain Relief Body Massage Oil

Professional Aromatherapy Massage | 1 L

Catalogue for Professional Use

A ready-to-use professional aromatherapy body massage oil developed for comforting massage, relaxation rituals and wellness care for tired and overworked areas. Frankincense, Lavender and Chamomile essential oils are blended with nourishing botanical oils for smooth massage glide and a warm herbal-floral sensory experience.

Comfortable Glide

Smooth, controlled application for professional massage.

Botanical Oil Blend

Sunflower, almond, olive, wheat germ and avocado oils.

Aromatherapy Blend

Frankincense, Lavender and Chamomile essential oils.

Product Overview

- Comforting massage support for tired and overworked areas
- Supports a calm and relaxing body-care experience
- Smooth glide with comfortable working time
- Nourishes and conditions the skin
- Warm herbal-floral aroma
- Ready-to-use 1 L professional pack
- Suitable for spa, salon, wellness and quality home massage

Premium Ingredients

Botanical Carrier Oils

Sunflower, Almond, Olive, Wheat Germ and Avocado oils.

Essential Oil Blend

Frankincense, Lavender and Chamomile.

Professional Performance

Designed for consistent glide, comfortable working time and a calming aromatherapy experience.

Professional Applications

Recommended For

- Body-comfort massage
- Tired and overworked areas
- Aromatherapy body massage
- Relaxation and wellness massage
- Back, shoulder, neck, leg and foot massage
- Spa body rituals
- Professional salon treatments
- Full-body massage

Directions for Use

1. Apply

Apply sufficient oil to clean, dry skin over the treatment area.

2. Massage

Use long strokes, circular movements or preferred professional techniques.

3. Continue

Massage for 15–20 minutes. Reapply if additional glide is required.

4. Finish

Ready to use. No dilution required. Wipe excess only if needed.

Best Used With

Warm towel ritual • Body scrub • Relaxation protocol • Wellness massage • Professional spa routine
