PRODUCT OVERVIEW

Refreshing body massage care for hot and humid weather

EcoPlanet® Aromatherapy Summer Splash Body Massage Gel is a lightweight professional gel formulated for refreshing body treatments during warm and humid conditions.

Its aloe vera gel base provides comfortable massage glide without the heaviness of conventional massage oils. The botanical blend creates a fresh herbal, citrus and mint aromatic experience while leaving the skin feeling cool, hydrated and comfortable.

DESIGNED FOR PROFESSIONAL TREATMENT FLOW

Suitable for summer body massage, foot and lower-leg treatments, spa rituals, post-travel refreshment and quality home body care.

Smooth Massage Glide

Spreads easily and supports continuous professional massage movements.

Cooling Sensory Experience

Creates a fresh, comfortable and revitalising body-care experience.

Lightweight Skin Feel

Refreshing alternative to heavy massage oils during summer.

Hydrating Aloe Base

Helps condition the skin and leaves it feeling soft and refreshed.

Botanical Aroma

Herbal, citrus, lavender and mint notes complement spa rituals.

Professional Versatility

Suitable for body, foot, leg and wellness massage protocols.

Texture	Skin Feel	Pack Size	Origin
Transparent gel	Fresh & non-greasy	1 Kg	Made in India

BOTANICAL AROMATHERAPY BLEND

A clean, fresh and cooling aromatic character

Aloe Vera	Neem & Tea Tree	Lavender	Lime & Mint

Overall aroma profile: fresh, herbal, citrus, minty and clean.

PROFESSIONAL APPLICATIONS

Flexible summer care for spa, salon and wellness protocols

RECOMMENDED APPLICATIONS

- ✓ Summer cooling body massage
- ✓ Refreshing aromatherapy treatments
- ✓ Foot and lower-leg massage
- ✓ Hot-weather spa rituals
- ✓ Post-travel body refreshment
- ✓ Wellness and relaxation massage
- ✓ Luxury salon body-care services
- ✓ Quality home body massage

PROFESSIONAL POSITIONING

Developed as a refreshing, lightweight alternative to oil-heavy massage treatments, particularly suited to warm and humid climatic conditions.

TREATMENT PROTOCOL

Simple professional application

1. **Cleanse** the treatment area before application.
2. **Apply** an adequate quantity of gel evenly to the skin.
3. **Massage** with smooth circular, upward or long professional strokes.
4. **Focus** on the body, feet, lower legs, shoulders or back as appropriate.
5. **Remove excess** with a clean, cool damp towel when required.

STORAGE

- Store in a cool, dry place below 30°C.
- Protect from direct sunlight and excessive heat.
- Keep the container tightly closed.
- Use clean hands or a clean spatula.

SAFETY

- For external use only.
- Avoid contact with eyes and mucous membranes.
- Do not apply to broken or irritated skin.
- Patch testing is recommended before regular use.
- Discontinue use if irritation occurs.
