EcoPlanet®

Aromatherapy Cream-Based Scrub - Detox

READY TO USE | NON-GREASY | PLANT-DERIVED EXFOLIATION | 1 KG

Aloe-enriched cream base with natural Hazelnut Shell exfoliating beads and an aromatherapy blend of Bergamot, Lemon and Juniper Berry essential oils.

Smooth application • Controlled exfoliation • Easy rinse-off

FORMULATION & SENSORY PROFILE

A considered cream-scrub system

Designed to combine even spreadability, controlled physical exfoliation and a clean, refreshed after-feel for body-care rituals.

Ingredient system
Aloe-enriched cream + natural Hazelnut Shell beads + Bergamot, Lemon and Juniper Berry essential oils.

ALOE-ENRICHED CREAM BASE

Supports smooth spreading and comfortable massage during exfoliation. The non-greasy cream format is easy to work with and rinse away.

NATURAL HAZELNUT SHELL BEADS

Plant-derived exfoliating particles help loosen accumulated dead skin cells and surface roughness. A plastic microbead-free exfoliation system.

AROMATHERAPY ESSENTIAL OILS

Bergamot, Lemon and Juniper Berry provide a fresh citrus-botanical aromatic character that complements cleansing and revitalising body rituals.

FORMAT	TEXTURE	AROMA	REMOVAL
Ready-to-use cream scrub	Non-greasy, bead-dispersed	Fresh citrus-botanical	Easy rinse-off and clean-up

PERFORMANCE & APPLICATIONS

Built for practical treatment use

A versatile exfoliating format for body polishing, cleansing and preparation before packs or wraps.

Performance

- Helps remove dead skin cells, surface impurities and roughness.
- Supports smooth, uniform application and controlled exfoliation.
- Rinses off easily without a heavy or oily residue.

Recommended use

- Full-body exfoliation and body polishing.
- Pre-wrap or pre-pack skin preparation.
- Back, hand, foot, elbow, knee and other rough-area care.

Directions

- Apply to clean, damp skin and spread evenly.
- Massage gently in circular movements for 3-8 minutes.
- Rinse or remove with warm damp towels; follow with the selected treatment.

Indicative full-body usage: 40-70 g per treatment, depending on coverage and technique.

TECHNICAL & COMMERCIAL INFORMATION

Product specifications

Core attributes
Ready to use | Non-greasy
Controlled exfoliation
Easy rinse-off | 1 Kg pack

Country of origin	India

Storage & safety

- Store in a cool, dry place away from direct sunlight and excessive heat.
- Use a clean, dry spatula and keep the container tightly closed.
- For external use only. Patch test before first use.
- Do not apply to broken, irritated, inflamed, sunburned or freshly shaved skin.
- Avoid use immediately after waxing, peels, laser procedures or intensive exfoliation.

Treatment & commercial suitability

- Suitable for spas, salons, wellness centres, beauty clinics, resorts and therapists.
- Can be used as a standalone exfoliation step or before body packs, wraps, massage creams or oils.
- The 1 Kg pack supports multiple body-care applications and predictable treatment usage.
- “Detox” describes the cleansing, exfoliating and refreshing treatment concept; it is not a medical claim.
